

THE CALL

A BIMONTHLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

Wishing you good times, good cheer and a happy New Year!

All of us at Roanoke Electric Co-op want to thank you, our member-owners, for your loyalty and support this year. It is our sincere hope that you are enjoying this holiday season.

Please note, our offices will be closed Dec. 31 so that we may perform our annual "end-of year procedures." No payment systems will be available on that date. However, payments will be accepted online and through automated phone systems on New Year's Day. The co-op will resume normal business operations on Jan. 2, 2019.

Your co-op team is looking forward to the New Year, and the new ventures and challenges that await us. We will strive to build upon the success we saw this year. May the joyful spirit of the season remain with you today and throughout 2019!

- Your Electric Co-op Team
