

# THE CALL

A BIWEEKLY PUBLICATION OF ROANOKE ELECTRIC COOPERATIVE

## THE BIG CHILL

### **About that recent cold snap and your next electric bill**

"Winter Storm Grayson," "Bombogenesis," "The Bomb Cyclone." Whatever you call it, the recent weather event will go down in the record books as one of the most intense winter storms in decades. It not only gripped the region with unusually cold temperatures for several days, it also rendered a cold blow to heating costs . To learn more about its potential impact on your next electric bill, [read more.](#)

## SPECIAL DELIVERY

### **For one local family: 'All they asked for' and more**

The gifts: Just what the children wanted for Christmas.  
The prepaid electric bills: Just what the struggling mom needed. The smiles upon delivery: Priceless.  
To find out how Roanoke Electric Co-op and one of its industry partners opened their hearts and wallets to make all of this happen: [Read more.](#)

## REC SOLUTIONS
